

# PRINSCO

The pipe with the gold stripe.

Susan C. Clemente

I've ordered some sections of Prinsco  
Makel that may shed some  
light on my wood deck house and  
95% predator proof pole.

I'm not real smart when it  
comes to putting in regin works in the  
regin place so I ask for explanation  
& help with this.

Thank you

AS you may keep sections + all Makel  
if you like.
